How To Participate in the DDF ICO Using MyEtherWallet.com

Disclaimer: We offer the following instructions only as guidance. Buyers should do their own research and not rely solely on material we are presenting. We make ro representations or warranties that the following material is complete or accurate, or that MyEtherWallet.com (or any associated software or services) will be reliable or function as described. As such, Buyers assume all risks associated with the use of Mist, Ethereum Wallet (or any other ERC20 wallet) in connection with the token sale. DDF has no connection to MyEtherWallet.com. Please consult the full Prospectus on www.digitaldevelopersfund.com.

1) Make Sure the Wallet is Funded

Please make sure you have the Ether you want to invest in your wallet.

info@digitaldevelopersfund.com www.digitaldevelopersfund.com

2) Load Your Wallet

Navigate to "Send Ether & Tokens" on MyEtherWallet.com. On the following pages, chose how you wish to access your wallet, for example via a stored Keystore file.

 How would you like to access your wallet? Keystore File (UTC / JSON) Private Key Mnemonic Phrase Parity Phrase: No longer supported Ledger Nano S TREZOR 	Select Your Wallet File SELECT WALLET FILE	

3) Send Ether to ICO Address

Once your wallet is unlocked, enter the ICO smart contract address as provided on <u>www.digitaldevelopersfund.com</u> into the "To Address" field in MyEtherWallet.

Enter the Ether you wish to send into the Amount To Send field.

In the Gas Limit field, input 200,000.

Gas Limit 21000		Token Balances
+Advanced: Add Data		Show All Tokens Add Custom Token
Generate Transaction		Transaction History ETH (https://etherscan.io) Tokens (Ethplorer.io)

Click "Generate Transaction" and confirm the transaction.

Click on "SEND":

You have now purchased the amount of DDF Tokens that corresponds to the amount of ETH you sent.

3) Check Your Tokens

Click on "Token Balances" on the right sidebar of MyEtherWallet. If you have invested successfully, you will see already your DDF token there.

If they are not showing, you may have to log out of MyEtherWallet and unlock your wallet again.
